Dear Hope,

I received your welcome letter yesterday and decided to answer at once so it doesn't get postponed.

I too have been interested in the Whan's history. We have visited Scotland twice, once in 1980 and again in 1988. On our first visit I didn't know where in Scotland my grandfather had come from. Like you I had only become interested after my parents' deaths so I didn't learn much from them.

However Gladys Whan had found old letters belonging to Grandpa Whan written from Australia by his brother Samuel Whan in which he named his brothers including the last one.

She wrote to the address on the letters and received an answer from Victor Whan, Samuel's great nephew. After a few letters the correspondance ended. Gladys shared the address and information with me. In 1982 I wrote to Victor and in 1983 I received a reply from his niece Heather Piddington. She gathered what information she could find on that part of the family - some of which on deeper research proved false - but from which I learned about the many cousins ^{who} live and prosper in Australia. When we returned from our trip to Europe in 1980 I determined to learn something of Scottish life, geography and history. I learned that Scotland too, suffered from the 1845-46 potato famine which we learned of as the Irish ^{famine}. It's not surprising that Grandpa Whan left then. (1846)

His brothers James and Samuel also left - I'm not sure when - but they went to Australia.

Later, Samuel sent for his nephew James (son of Matthew). ~~That~~ James married twice and fathered 16 children. Samuel and James never married. It is very difficult to keep these family members straight as the families used the same names over and over, James, John, Matthew, Andrew + Samuel.

I understood that your Grandfather Freeman was named for his mother's brother who was cut by an axe in the woods and bled to death. I don't know whether or not that is true.

Freeman's Whan's mother was Elizabeth Burleigh and her father was John Burleigh. I

don't know & who her mother was.

I have few memories of your mother. Annie and Wellington ~~when~~ went to school with us at the little country school. We left the farm and Canada in 1923 and Uncle Freeman bought the place. Annie visited us once in Norwood, N.Y. when we lived there - 1962 I think. I was only 7 years old when we left ^{Sharbot Lake} so my memories are quite sketchy.

My mother kept up a contact with your mother, I'm sure.

Annie visited her when she lived with my sister Lois in St. Petersburg, Florida. & Your Uncle John (Johnnie) visited us both in Massena (where we lived from 1924 - 1954) and in Norwood.

We never saw or heard from Wellington after 1923. Your Aunt Susie ~~we~~ spent a winter with us after she developed T.B. She was a lovely girl ~~who~~ we children

(5)

adored her. In those days T.B. was a death warrent. My mother spent the night at your grandparents the night she died.

- my first brush with the death of someone we knew and loved. I've never forgotten.

About myself, I was born on the farm at Sharbot Lake Apr. 11, 1916. My father James was odd man out in the Whan family. As he grew to manhood he went to Watertown worked in the mills and factories there, worked in the woods at Newton Falls in the Adirondacks and in the mines at Cobalt, Nipissing, Cochrane, Sudbury and out to Colorado at Pikes Peak. He & my mother were married in Cobalt in 1908. They followed mining until after my sister

Lois was born in 1911. Carl was born in 1913. They bought the property at Sharbot Lake in 1915 - lived in a tent while Uncle Andrew helped Dad build the barn and house.

Imagine living in a tent with two small children with just a spring for water! We've grown soft.

After eight years and seven trips to the hospital for Mom, they decided to leave. We ended up in Massena where Dad worked for 28 yrs. for Alcoa.

In 1928 Lois married Arthur French. They had three children

James Arthur - Born 5 Feb. 1930

Zella May - Born 28 Sept 1931

William John - Born 7 Aug. 1935.

Junnie was killed in a gun accident in 1946 - age 16.

Zella married Robert Jarvis in 1955

they have two children - John

Michael & Dorothy Lois.

Both are married and both have two children.

Bill, the youngest is married to Jane Jollet. They have four children, Jennifer³¹, Sarah²⁹, Billy²⁷ & Thomas²⁵. Only Sarah is married. Bill & Jane are in Cameroon West Africa. They will be home to stay in May. They have been there three years.

Bill is on the faculty of the State University of Florida. He is sent all over the world to set up research stations to help the natives with their agriculture.

Carl married Vai Amituini, a Samoan in 1938. They have a daughter, Lina. She has three children. She married Carleton Ferreira - they have since divorced. Carl died Oct 13, 1977.

I married Frederick Wright
20 June 1938. We are parents
of 5 children.

- ① Harriet Louise; married Larry Gibson
^{26 Apr. 1939} ^{13 Sept 1958}

They had two children:

Elizabeth Ellen: 23 June 1959

Robert James. 30 Nov. 1960

The marriage ended in 1961.

married Joseph Liotta Nov. 1966

one daughter Maria Telesia B. 2 May 69

- ② Jenny Lois - Born 20 Dec. 1941

married Willy Grimmke - 11 July 1964

They have three children:

^(Bill) Willy Frederick - Married Marie Fillmore
^{17 June 1989}

Andrew Josey - B. 15 May 1969

Christina Jane - B. 8 June 1972

Both Andrew + Janie are in College.

Willy (Bill) graduated from an
Engineering School in 1988.

- ③ Ingrid Born 18 Apr. 1946 married ^{Berglund} Jerry

They have a son Erik age 11.

They spend each summer with us
at our cottage at Colton, N.Y.

- ④ Christina Born 1 Feb. 1950 is
married to Robert Brown. They

⑨

have four children. Sarah 17, Susan 15
Matthew 12 and Rebecca 6.

Christina teaches third grade in
the public school in Roswell, Ga.

⑤ John our only son is 36.

He married in 1978 Lynne Hallada.

They had one son Jonathan.

Were divorced in 1985.

John married a Korean girl: Lee
Chong Sook whom we call Leigh.

She's a lovely girl and a wonderful
daughter-in-law. They have

two children. Daniel Jacob 3,

and Catherine Leigh 2. John

is in the Military stationed

in Buffalo, N.Y. We hope he

can stay there through this

conflict.

Our second trip abroad in

1988 was spent entirely in

Britain. We visited the Highlands

then spent a few days in the

area around Creetown. If you can find Solway Firth on the map (that body of water on the west between Scotland and England) you'll find that Wigtown bay is the second bay from the left the first being Luce Bay. Creetown is almost at the top of the bay but to the right on the Cree river. It is such a beautiful area I don't know how he could bear to leave.

As my son-in-law Willy said, "Easy enough when you're hungry."

We went with Willy and Jenny on both trips. We also visited the south of England where my grandfather Carslake grew up. He too came from a village by the sea.

The two areas are not unlike and both unbelievably beautiful.

We haven't been able to learn anything past James & Agnes Whan.

Civil records were not kept before 1851 and as Granpa left in 1846 I couldn't find him in the census.

(11)

I've rambled on long enough.
I hope you can make some
sense out of all this.

We expect to be at our cottage
in Colton, N.Y. in early May as
our granddaughter Maria will
graduate from the State University
College at Potsdam May 12th
and we plan to be there.

Please send me your telephone
number and perhaps we can
get together sometime this
summer.

Your cousin
Eva

Would like to learn about your
family. - Brothers & Sisters etc.
